

CHARLES A. IZZO

President

PROFESSIONAL EXPERIENCE

At **Infinity** Mr. Izzo is President and responsible for sales and marketing, finance, planning & forecasting, and general management.

Prior to starting **Infinity** in 1997, Mr. Izzo began his career in construction in May 1979. From December 1979 to December 1996, he was employed by a large international commercial general contracting and construction management firm where Mr. Izzo held various positions including senior management positions at the firm. From 1986 to 1991 in his role as Purchasing Manager, he was responsible for more than \$100 million annually in trade contractor awards. A partial listing of major projects in which he led the purchasing effort includes:

Key Center	\$171 million
North Point I and II	\$35 million
Renaissance Office Building	\$20 million
Galleria at Erieview	\$43 million
Children's Hospital of Akron	\$40 million
Bank One Center	\$50 million

From December 1991 until December 1996, Mr. Izzo managed a Business Division of that firm in Cleveland, which had an average annual sales volume between \$15 million and \$20 million including projects in the commercial, retail, healthcare, institutional and telecommunication construction markets.
