Jim Fantozzi
Vice President, Construction Services
Infinity Construction Co., Inc.
18440 Cranwood Parkway
Warrensville Heights, OH 44128

Dear Jim,

My team and I would like to express our appreciation for your work across multiple construction projects happening at the Nestlé USA Cleveland Campus. You have served as an integral part of the team and your dedication to quality work has been second to none.

We're happy to celebrate our successes with you, especially in your role as General Contractor for the implementation of the Nestlé Global Smarter Workplace standards in our Harper Building – the first Nestlé site of its kind in North America.

Your team has also been, and continues to be, incredibly flexible in meeting critical construction deadlines as needed to avoid any business disruptions.

I'd be remiss if I didn't mention you and Bill Traffis (the Project Superintendent) working in lockstep with our Nestlé Workplace Solutions team in managing multiple changes as we develop and refine our office design prototype for our North America market.

If you or your prospective clients have any specific questions, I invite them to contact me directly.

It is a true pleasure to work with you, Bill, and your entire staff at Infinity Construction Co., Inc. as you continue to exude superior professionalism and provide outstanding customer service.

Sincerely,

A handwritten signature in cursive script, appearing to read "K. Kabo".
